Noodle serving sizes

The noodle menu uses three tray ranges: 3-4 persons, 10-12 persons and 22-25 persons.

A balanced party spread usually combines one or more viands with rice, pasta or pancit, then adds vegetables or a lighter side. Use the guest count and appetite as a starting point rather than treating every tray size as an exact guarantee.

Ready to plan your food tray order?

Send your event details so Jojie's can confirm the dishes, serving sizes, preparation schedule and pickup time.

1

Build your working order

Choose a set, house speciality or individual trays, then review sizes and quantities.

2

Send the event details

Share the event date, guest count, preferred pickup time, collection choice, budget and contact number.

3

Receive confirmation

Wait for the quotation, confirmed ready time, payment and collection instructions before booking a rider.
